#### Police Find S. S. Gross's Establishment Closed and Camp in Front.

Armed with a search warrant issued by Magistrate House in West Side to-day, Capt. Halpin, of the West Bixty-eighth street police station, and five detectives to-day called at the pawnbroking establishment of S. S. Gross, at No. 2857 Third avenue, in search of part of the \$100,000 loot said to have been stolen by a gang of alleged

Capt. Halpin told the Magistrate he had been informed that George had so cepted more than \$8,000 worth of stolen goods. He then produced George Chartres, of No. 171 East One Hundred and Seventh street, a confessed thief and member of the gang, who testified: "I myself pledged the goods at Gross's place. He did not give me pawn tickets for them, and said he would simply en

Why this enormous patronage? The answer is simple: Cascarets are pure, clean, sweet, mild, fragrant, harmless but effective little tablets for the treat-

# Nothing Too American People

There is NOTHING TOO GOOD for the American people-that's why we started to make Cascarets Candy Cathartic. The first box made its appearance in 1896, and the enthusiastic endorsement of the people has been bestowed upon Cascarets ever since.

The sale today is at the rate of OVER A MILLION

BOXES A MONTH, proving that the American people recognize, that what is BEST FOR THEM is none too good.

ment and cure of Constipation and all Bowel Troubles. They are put up in neat little enamel boxes, easy to buy, easy to carry (in vest-pocket or purse), easy to take and easy of action, always reliable, always the same, they "work while you sleep"

The new Pure Drugs Act, adopted by Congress on June 30, 1906, and in effect January 1, 1907, is a GOOD LAW and means better and PURER drugs for the American People. We endorse it and will live up to it in SPIRIT and LETTER, an easy task, as we have always been actuated by the same principles and no changes are required in our formula or pack-

the greater in PURITY, QUALITY and MEDICINAL MERIT than any other preparation for Bowel trouble in all the world.

This should be a great argument for any one, to try Cascarets AT ONCE, and be healthier and happier for it. Some people have CHRONIC CONSTIPATION with all the horrors derived from it; others have HAB-ITUAL CONSTIPATION from carelessness and neglect, but nearly EVERYBODY has OCCASIONAL CONSTIPATION, which, if not promptly taken care of is liable to result in its degeneration into the worse forms and cause great suffering and perhaps death.

Cascarets, if taken patiently and regularly, will remedy all of these awful troubles, but if taken promptly at the very first sign of an irregularity of the Bowels, will act as the FINEST PREVENTIVE ever discovered and will keep all the machinery running in good order.

We advise you to get a little 10c box of Cascarets TO-DAY and carry It in your purse or vest pocket. Take one when you feel anything unusual about your bowels.
